RE: RoHS2 Restriction of Hazardous Substances (RoHS2) Statement of Compliance

To Our Valued Customer:

RoHS2 stands for the “restriction on the use of certain hazardous substances in electrical and electronic equipment”. This European Directive aims to control the use of these Hazardous substances.

Lead (<0.1%)
Mercury (<0.1%)
Cadmium (<0.01%)
Hexavalent Chromium (< 0.1%)
PBB – Polybrominated Biphenyl (<0.1%)
PBDE – Polybrominated Diphenyl ether (<0.1%)

RoHS Regulations require that product must not contain the hazardous substances above the maximum concentration values.

Amstek Metal LLC is a multi-location, and does not melt materials sold to our customers. Amstek Metal LLC does not knowingly add or expose these materials to any of the hazardous listed within the EU RoHS2 Directive. As cited in statements from our suppliers the materials sold by Amstek Metal LLC do not exceed allowed levels of these substances, and therefore, the materials are compliant with the EU RoHS2 directive.

If you have further questions, please do not hesitate to contact us.
